

300Mbps Wireless N USB Adapter

WF-2116

Features:

- >Wireless N speed up to 300Mbps
- >2*5dBi high gain detachable antennas provide better signal coverage and reception
- >Access Point feature to set up a Wi-Fi hotspot to share the Internet
- >Easy to install and configure with the setup CD and utility
- >Low power consumption

Brief:

The netis WF-2116 300Mbps Wireless N USB Adapter is designed to connect a desktop or notebook computer to a wireless network and access high-speed Internet connection. It's compatible with 802.11b/g/n devices and provides the wireless transfer speed up to 300Mbps, offering a better performance on online gaming, video streaming, and VoIP phone calling. With the 802.11n MIMO technology, it ensures a strong and stable wireless connection and allows you to enjoy the wireless freedom around your home. Moreover, it features with a WPS button which helps you easily setup a secure wireless connection in a snap.
